

# Cuáles animales

Juan Gedovius

The background is a light gray, textured surface. There are several dark, irregular shapes: a large one in the top left, a large one in the top right, and a circular one in the bottom left. The circular shape has a brushstroke-like texture. The text is written in a simple, black, sans-serif font, slanted upwards from left to right.

Lechería de la pradera  
Muge plácida granjera
