Ilustraciones de A corazón abierto

loqueleg®

A stylized illustration of a hand with text on the palm, set against a background of colorful, swirling patterns. The hand is rendered in a soft, painterly style with visible brushstrokes. The palm is a light peach color, and the fingers are a slightly darker shade. The background consists of large, overlapping shapes in shades of purple, pink, and teal, each with a spiral or swirl pattern. The overall composition is centered and balanced.

**Ya no
soy tu amiga**
